ABOUT US

Emidec Co.,Ltd is an Indonesian consulting and advisory services company in Tokyo, Japan. Established in 2012, we help both local and international companies to expand and grow their business in Indonesia by providing a personalized solution to every valued client.

We work with our clients as partners and with each other as a team. Our advice and solutions are customized to each client's business context and unique needs.

We provide services such as Corporate & Legal Consultation, Quantitative and Qualitative Research, Translation & Interpretation, Business Meeting Arrangement, Visitation Arrangement, Company Database Service and other business related arrangements.

Our approach helps create lasting partnerships built on mutual trust, allowing us to enjoy client relationship that can be measured in years.

OUR SERVICES

- **Corporate & Legal Consultation**

As your one-stop window towards your business in Indonesia, we provide a complete services of corporate consultation (Company Incorporation, Expatriate`s stay and work permit, Accounting and taxation consultation)

- **Quantitative and Qualitative Research**

Our market research team and field researchers have years of experience to bring you the true voice of the market.

- **Translation & Interpretation**

We provide high quality translation and interpretation service in Indonesian, Japanese and English. Native check is also available for each language.

- **Business Meeting Arrangement**

We have vast experience in business meeting arrangement, both with government agencies, private companies and industrial associations.

- **Visitation Arrangement**

Our visitation arrangement, which includes visa arrangement, airport pickup, hotel and car reservation, will help you ensure your visit to Indonesia goes as smooth as possible.

- **Data Provision Service**

We also provide data, such as market data, company profile and key person profile.
